

We Are Artificial Lift. It's what we do. All day. Everyday.

Flowco is redefining well "optimization" with the very latest in USA manufactured gas lift and plunger lift technologies and delivering unrivaled customer support wherever and whenever you need it.

We are seeking a **Production Control Scheduler** to become an integral part of our team!
This position is located in **Fort Worth, TX.**

Job Summary:

Sustains production schedule by monitoring raw material, in-process manufacture, and assembly component inventory levels to prevent shortages and past due conditions. Creates and issues jobs to the shop floor and manages production schedule for various manufacturing areas.

Responsibilities:

- Performs tasks associated with the production scheduling while meeting productivity, quality, safety, behavioral and attendance expectations.
- Create jobs for internal orders to fulfill customer requirements as well as maintaining component min/max levels.
- Ensure jobs have correct information before being released.
- Coordinate KanBan stocking efforts with purchasing/supplier manager as needed and communicating shortfalls or scheduling delays with manufacturing leaders.
- Tracking component shortages
- Multiple daily walk-throughs as necessary to furnish progress update on end-to-end job travelers.
- Identify BOM (bill of material), route and item master discrepancies, and facilitate necessary corrections with Master Scheduling Manager.
- WIP query variance monitoring, coordinating corrections with inventory manager.

Required Skills/Experience:

- Experience in production planning: 5 years preferred, 2 years a must.
- MRP/ERP experience.
- Must have excellent communication skills.
- Must be able to read, give and take direction in English.
- Must be detailed oriented, have basic math skills and Strong computer and M.S. Office skills, especially Excel.
- Knowledge of machining operations and routing.
- Demonstrated competencies in operation of ERP systems and software applications. SYSPRO & LYNQ experience a plus.
- Well versed at analyzing information, reporting investigation results, and have solid documentation skills.

Other Requirements:

- Must pass Drug Screen and background check.
- Will be working in a shop environment.
- Able to work full time and have great attendance.
- High school diploma/GED required.
- Must have a courteous and positive attitude, also have a sense of urgency, drive, pride and desire to succeed.
- Have a sense of urgency and adaptable to change.
- Performs other related duties as assigned.
